

NAMING THE HBSPCA IN YOUR WILL

KNOWING THE RIGHT LANGUAGE TO LEAVE A LEGACY FOR THE ANIMALS

Leaving a legacy gift brings meaning and purpose to a life well lived. Your gift ensures that the Hamilton/Burlington SPCA can keep saving the lives of animals in need long after you have gone.

Planned giving gives everyone peace of mind. You get substantial tax benefits and the animals get the support they need. You can choose how your bequest will be used. Undesignated bequests go to the program of greatest need – this could be animal care, animal protection or humane education. Designated bequests can be directed to a specific program or purpose; whatever cause is close to your heart.

If you have a specific destination in mind for your bequest, please have your legal representative contact the Hamilton/Burlington SPCA to ensure that the correct bequest language is used so that your bequest is used for the intended purpose.
