## Animal Care

This includes food, housing, grooming, medical treatment & socialization for all shelter & foster animals.

### Every ticket you buy helps an animal in need. Give cats like Skylark a fighting chance!

Skylark came to the HBSPCA as a stray with her six tiny kittens in early 2017. Shortly after her kittens were weaned, a large lump was noticed on the side of her belly. Our Companion Animal Hospital staff took Skylark's x-rays and upon inspection, only one kidney could be seen. The lump was removed and sent to the lab for analysis. Confirmation for a million-in-one medical marvel: the mass outside of Skylark's abdomen was her 'missing' kidney! It had been pushed outside of her abdomen and become useless and infected. A force strong enough to push a kidney outside of the abdominal wall would have to be a major trauma; it's most likely that at some point Skylark was hit by a car and didn't receive any medical care for her injuries. After a long recovery, this sweet kitty was adopted into a loving forever home where she's nicknamed "Miss Personality" and gets along well with her cat sibling. Without intervention, Skylark and her kittens might not have survived. This is why your support means so much to all our animals. Please order tickets and change a life today.
