

Calling all Classroom Bakers!

The animals at the Hamilton/Burlington SPCA want YOU to participate in the Cupcake Classroom Challenge!

The Hamilton/Burlington SPCA is bringing back the Cupcake Classroom Challenge for all Cupcake Bakers (and Eaters!) at Hamilton and Burlington Elementary & Secondary Schools!

From February 5th, 2017 - March 18th, 2017, the class to sell the most cupcakes, paper or edible (or other goodies!), and raise the most money will be awarded with some exciting prizes!

Prizes Include:

1. **A Special HBSPCA Visit to the Classroom:** A Member of the HBSPCA team and one of our certified Pet Visiting Animals will come visit your classroom for a Meet and Greet
2. **A Signature Classroom Animal:** The winning class is invited to name an adoptable animal at the HBSPCA. The class will receive updates and photos throughout the year on how their animal is doing, when it was adopted and how the money they raised helped to get them into a forever home!
3. **An invitation for an exclusive behind-the-scenes tour** of the shelter kennels and the Companion Animal Hospital! *(Note: transportation must be arranged by the school)*
