

IMMEDIATE RELEASE

Star of the Show: Special Needs Kitty Gets Top Billing

(Hamilton, ON) June 28, 2017. Who doesn't love a blind, not-so-good-on-her-feet cat with a pronounced under bite? Named after the kitty-loving character from Trailer Park Boys, the Hamilton/Burlington SPCA is proud to announce that "Bubbles" will be the spokes cat for the **2nd annual Just for Cats Film Fundraiser**.

This wobbly girl is loving life in her new forever home, with a new name: Sadie. She's the ideal spokes cat: Sadie came to us in May 2017 and was diagnosed with a neurological condition that makes walking, running and jumping a bit of a challenge. Nevertheless, this once abandoned six-year-old girl moves with courage and grace and loves everyone she meets.

How can YOU help cats like Sadie? Join us Friday, July 14th at the Lincoln Alexander Centre for a special screening of 'Kedi'; an award-winning documentary following the lives of street cats in Istanbul, followed by a red-carpet after party.

There's no better way to spend a night out – enjoy cocktails and a bite to eat while you visit vendors and a silent auction, a cat-tastic photo booth and even a meet and greet with some very special HBSPCA felines like Sadie. All proceeds will support cats in need who have not yet found that their ideal family.

Doors open at 6:30, and the screening begins at 7:00pm. Tickets are \$50 and include admission, popcorn and a complimentary drink – alcoholic or non-alcoholic. Tickets can be purchased at the shelter, at Pet Valu on Upper James Street, at M&G Pet Food, or at www.hbspca.com; the first 100 guests will receive a purr-fect swag bag full of feline favours.

Enjoy a night out and save the lives of cats in your community!

To purchase tickets or to get more information, please contact Marisa Robins, Resource Development Coordinator at mrobins@hbspca.com or 905-574-7722 ext 350
