SUPPORTING PARTNERS/THIRD PARTY EVENT GUIDELINES AND APPLICATION

What is a third party fundraising event/initiative?

A Third Party Fundraising Event (Sometimes referred to as a community event) are those which are organized by an individual, business or group with the intent of raising funds for another organization.

By hosting a third party fundraiser (**TPF**), the host assumes responsibility for creating a successful event, independent of **HBSPCA** resources. The **TPF** organizer is responsible for all aspects of the event, from planning to implementation.

SUPPORTING PARTNERS/TPF GUIDELINES AND REQUIREMENTS

The **HBSPCA** requires that the following guidelines be met to ensure accountability to your event/initiative, supporters and donors. The **HBSPCA** will consider each event/initiative individually. The **HBSPCA** has the right to decline an offer for a **TPF** and/or to withdraw any and all association with the fundraising group if any of the guidelines are not met before, during or after the event.

- Complete this application and send to kwoodhead@hbspca.com for review by **HBSPCA**'s Development team. Please allow 5 business days for review and approval of this application.

- All who wish to organize an event or collect cash/donations on behalf of the **HBSPCA** must be under the guidance of someone 19 years of age or older.

- The **HBSPCA** must receive a list of sponsors that the host organizer(s) wish to approach. Sponsors include individuals, businesses, groups and others who may be interested in contributing to the success of the event. A review of the targeted sponsors will help minimize overlap with other **HBSPCA** campaigns.

- All photographs depicting images of animals or images related to animal welfare to promote or raise funds for the **HBSPCA**, must be approved by the **HBSPCA** Development team. Photographs and images should be submitted to kwoodhead@hbspca.com for approval

- The **HBSPCA** will not be held responsible for any costs or liabilities, incur any expenses nor provide any funds for **TPF** events or activities. Please discuss event liability insurance with the **HBSPCA** Development staff and your insurance company.

- The **HBSPCA** will not associate with businesses, organizations or individuals known to conduct themselves in a manner which is incompatible with the **HBSPCA** mission and mandate. It is the **HBSPCA's** right and responsibility to decline any sponsorship, gift or other payment that is contrary to its mission or mandate.

- For One-time events:** All net income must be received by the **HBSPCA** within 30 days, or as specified in the **HBSPCA TPF** agreement.

- For Ongoing Supporting Partners:** An agreement to receive donations from supporting partner/business will vary on a case by case basis. Please discuss this with **HBSPCA** staff.

- All promotional materials must clearly state the percentage of proceeds and/or the portion of donations that will benefit the **HBSPCA**. Note: This information must be made specific and clear on the application and at your event/activity itself. In general, ethical fundraising practice suggests that no more than 15% of gross revenue generated be used to cover expenses.

- Official tax receipts will be issued in accordance with the Canada Revenue Agency (CRA) guidelines (see <http://www.cra-arc.gc.ca/chrts-gvng/dnrs/rcpts/dntn2-eng.html>). The final decision to issue official tax receipts rests with the **HBSPCA**. Receipts will be issued for the maximum allowable amount as determined by CRA.
